## K&A Trust AGM 2019

### Nomination for election to Trust Council

#### **Notes for nominators:**

A nomination form is only valid if signed by the nominee (who must be a Trust Member) accepting the nomination. Nominators and Seconders must be paid up Trust Members.

You must make sure that the person you propose to nominate is not disqualified in any way from being a director under the Companies Act 2006. The person you nominate must also sign the nomination form indicating their willingness to stand as a Director of the Trust.

Valid nominations should be returned to the Company Secretary by no later than 12:00 pm 26 April 2019.

#### **Notes for Nominees:**

If you allow your name to be put forward for election as a Trustee and you sign the authority section of the nomination paper, you are signing to say that you understand the legal implications of becoming a Trustee and Director of a Charity Company. If you have any doubts you should seek advice from a legal adviser.

More information on being a Charity Trustee can be found at [www.charitycommision.gov.uk](http://www.charitycommision.gov.uk)

The average time commitment for all Trustees is of the order of about 20 – 30 hours a month. You will be expected to attend monthly Trust Council meetings and, where appropriate, training sessions with the other members of Trust Council. You will also be allocated, after discussions with fellow Trustees, a specific portfolio, covering aspects of the Trust's work which you will take responsibility for.

If you want further information about what being a Trustee of the K&A Canal Trust involves and the sort of commitment in time and effort expected, then please feel free to contact any of the existing Trustees who will be more than happy to answer your questions.
